BERRY COLLEGE

MOUNT BERRY, GEORGIA

April 5, 1940

Dear Tom,

Pardon the extreme delay in sending the addresses of the boys you heard mentioned. I had to go up to Chattanooga the first of the week; then Chess dropped by over night. But that is no reason why these should not have been in your hands long ago.

The boys who are still on the grounds here you no doubt remember. Their names are spelled Clifford Blue and Olin Powell.

We hugely enjoyed your visit with us and repeat our great hope that you may come again before the end of the year. The dogwood is even now coming out and in a few days will be a snowstorm of suspended white.

I gotta go now. Business is thundering down upon me with stupendous ponderosity.

Love from all to both and to
your mother.

Thine,

Walter
